Subject: [JordanSmallMiddleSchool] Parents only of Incoming Frosh through Seniors
Attachments: ATT00001.txt

Just a quick note to let you know of a new feature in the Infinite Campus portal**. - (very important for WHS athletes)

If you are the parent of an athlete you may already know of the athletic policy requiring all athletes to have a current physical on file with the school. (current is within 2 years). You now have the ability to check to see what the most current physical that we have on file is, just by clicking on the "Health" tab in the left hand side of the page of the Infinite Campus portal.

As physicals come in, either myself or the school nurse enters them in, and you will see them just as soon as we enter them. No more wondering if the doctor's office has faxed it to us, and no more ineligible athletes. ***We will be putting the responsibility on your child(as they also have access), to make sure they have a current physical on file for their sports season and communicate to you, if they are in need.***

We have been working hard to make sure that all physicals with a date not older than 7/1/2015 have been entered into your child's IC portal. We chose 7/1/2015, because that takes us to the end of this school year for any athletic eligibility to include post season playoffs.(within 2 yrs)

A current physical must be within 2 years and not expire during a child's athletic season, without an update occurring, but a child may participate up to that date of expiration.

For a child to be eligible for sports preseason on August 14th, their physical must be more recent than 8/14/15 and not expire during that week.

**This feature is only for Windham High School students starting school year 2017-18

If you are a parent of an incoming Freshman and have not yet signed up for Infinite Campus access you may do so by going to this link: <http://bit.ly/icaccount>

Again, this feature is only for students & parents at Windham High School using Infinite Campus.
