***We may break into 2 Divisions depending on the size of the group, which will better enable us to help each player on a weekly basis.**

Practice Dates: 6/26, 7/2, 7/12, 7/17, 7/24, 8/2, 8/7

To be eligible for the program, juniors must be currently playing some competitive golf on a regular basis and be a minimum of 14 years old. The program is open to all High School Boys & Girls. The program runs from the **End of June through Early August (7 Weeks)**. Practices will be held on weekday mornings with golf after instruction ends (**Optional, but we hope they choose to play as the golf is included at no additional charge**).

Cost of the Seasonal Program: \$299

Note: We work hard to schedule all practices in the mornings. Typically practices run from **11-12:30pm (*On July 12th we will practice from 9-10:30am)**. The players are able to play the course after we are finished with the instructional portion. We also try to schedule the dates/times so that the players can compete in the **Maine State Golf Association(MSGA) Junior Tour**. These events are a great way to play some fantastic courses, meet other junior golfers, and compete in a friendly event.
