

ATHLETIC BOOSTERS

DID YOU KNOW?

The Windham Raymond Athletic Boosters support student athletes each season and give to teams in many different ways. We are in need of volunteers to continue to give back – to work at concession stands, to help at the Craft Fair, volunteer at Summerfest and bring NEW ideas to the table. We can't help our athletes/coaches with enrichments and scholarships if we don't have the volunteers to do the work. If we all give a little it makes it so much easier than the majority of the work falling on the shoulders of the same people. Please consider joining the boosters and volunteering your time. You will meet new people and be involved in your community. Your kids will appreciate your efforts to keep our boosters program going strong!

As you can see, the Boosters are in need of new parents to help with Officer & Manager positions. Please join a meeting and start learning about the job duties while we have the support of the current officers. It's not hard and it's a fun group! Just inquire to any of the people listed above and we can help.

Meetings are typically the first Monday of the month at Windham High School in the Alumni conference room at 6:30pm. Agendas will be emailed from ListServe and will be posted on the Facebook Page. There is no meeting in July.

Officer/Manager job descriptions have been emailed to all that are on the boosters email list and they are available upon request. If you have a student athlete and want to volunteer your time please join us!

Cording ceremony for Senior Athletes – Cords are worn at Graduation

The cording ceremony takes place each year at the Spring Awards Banquet at the High School. In order for a student athlete to obtain a cord they must have played a sport for all 4 years of high school and completed each season in good standing (receive a certificate). If they complete all 4 years and are in good standing they will receive one white cord. If they complete 2 sports for all 4 years they will receive a white cord and a maroon cord. If they complete 3 sports for all 4 years, they will receive a white, maroon and blue cord representing all school colors. In order to "cord" your child a parent must complete **a total of 32 volunteer hours** over the 4 years their child is in high school (a parent can get all 32 hours in one year if they wish or spread it out over the 4 years). Please note the hours must be obtained at **Booster sponsored events**. If both parents wish to be included in the ceremony then they must have 32 hours each for a total of 64 hours. Eligible athletes are determined by the Athletic Department while the Boosters fund and organize the ceremony. If you have additional questions about this please contact one of the officers above.

If you would like to be added to the Boosters email list please reach out to us! Contact us @ windhamboosters@yahoo.com or via message on Facebook @ Windham Athletic Boosters.
