

# Late Bus

Windham Middle/High School offers three buses (North, South, and East) on late bus days.

- Monday's bus departs at 4:05 p.m
- Wednesday's bus departs at 3:15 p.m.

Please click on the three maps above, which highlight specific areas each bus covers, to give you a general idea which bus your child should go home on.

The easiest way to ensure that your child is on the correct bus is for them to show their bus slip (which needs to be written out by a teacher not your child) to the bus driver who will check the address and confirm which bus they should be riding home.

These are not regular bus stops; they are "proximity" bus stops. You may have to arrange transportation from this stop to your home.

Be aware that drop off times vary from day to day. Each day the route is determined by the number and location of students.
