At the web site

select a teacher with whom you want to meet. (Please read all instructions carefully.)

Your selection will cause a popup window to appear that will ask you to enter your child's first, last name, and your Email address that you want all correspondence to go to. Similar to what is to the right.

Once you submit this information, a thank you message will appear like the one below and an automated email confirmation will be sent to this email with further instructions. (Please be aware that some business' email services might block or label mail from this system as spam.)

Thank you for registering. Please check your email at the address you provided. You will find an email with the subject header "Select Date/Time for Teacher Conference Now". Just press the link in the email and you will be able to pick a time slot for the conference.

This email contains two piece of information that you will need to use. One is a link that will connect you directly to the web page that displays the time slots you can pick from. The other piece of information is a 10 character Entry code that you can use if the first link is not working. A sample letter is below.
